## FEATURES

**Superior Warmth & Breathability:** Crafted with thermal fleece outside and polyester mesh inside to provide optimal warmth without compromising breathability

**Enhanced Visibility:** Mesh breathing panels facilitate increased airflow, reducing condensation on eyewear for improved visibility

**Comprehensive Protection:** Shielding the face, nose, mouth and neck, the BL offers complete protection from harsh weather conditions while maintaining comfort and airflow

**Multi-Wear Design:** Hinge design allows for versatile styling, transforming from a ski mask to a neck gaiter effortlessly, catering to various outdoor activities

**Hard Hat Compatibility:** Can be worn under Pyramex ANSI/ISEA compliant hard hats (except the SL Sleek Shell Series), offering versatility and peace of mind on the job
