- Fits Ridgeline cap style hard hats and accommodates a variety of face shields.

## Hard Hat

Ridgeline Cap Style [● HP44110, ● HP44141]

ANSI/ISEA

- ABS material – strong, yet ultra-light for seemingly weightless protection
- Low profile design – offers a low center of gravity for better balance
- 4-position harness points allows you to move the harness forward, backward, up or down – allowing for the most optimal position for comfort
- Rear padded suspension – provides additional level of comfort on the wearers' neck
- 4-point ratchet suspension
- Replaceable sweat band – padded fabric and polyurethane foam for all day wear
- Vented pressure pad keeps the straps in place providing an additional level of comfort
- Easy to grasp triangle knob adjusts the suspension from 6 ½ to 8-inch hat sizes
- Swinging hinge points allows you to find the most comfortable position on the back of your head
- Universal accessory slots fit most attachments
